

# SHREYA FEGADE

Web Developer | AWS | Dancer | Pencil-Sketcher

+918237501921 @ shreyafegade22@gmail.com http://www.linkedin.com/in/smfDeveloper India

## SUMMARY

Enthusiastic Full Stack Application Developer with a passion for delivering high-quality web applications. Proficient in Python, Java, JavaScript, HTML, and CSS, adept at integrating REST APIs for seamless data exchange. Managed database and automation to enhance application performance. Strong problem-solving skills and a creative mindset. Keen on staying updated with the latest technologies. Committed to delivering efficient, scalable solutions and contributing to organizational success.

## CERTIFICATION

AWS Certified Developer - Associate

AWS [\(view creds\)](#)

## EXPERIENCE

### Web Developer

Tata Consultancy Services

04/2021 - Present Pune, India

Software Engineer

- Integrated web services via REST API and SFTP for seamless data exchange. Managed cronjobs with Apache Tomcat to optimize task automation.
- Integrated and managed databases using SQL Developer Tool, optimizing data retrieval and manipulation for improved application performance.
- Developed a standalone automated script to create bulk Component Requests in the Data Management System, streamlining the process and improving efficiency.
- Developed robust applications by harnessing the power of Java, Oracle Database, and REST APIs, while ensuring seamless integration with SFTP for live and efficient data exchange.
- Efficiently automated both one-way and two-way communications through a Third-party tool, leveraging SSL encryption to ensure secure and seamless data exchange.
- Proficiently extracted and validated data from XML API responses using Java, ensuring accuracy and reliability in data processing.
- Proficiently executed SQL queries for data insertion and updates in the database, employing Oracle SQL Developer Application to ensure accurate and efficient data management.

## AWARDS

★ TCS | Technical Excellence Award

💎 TCS Gems - Star Team Member Award

## EDUCATION

### B.TECH. Computer Engineering

Government College of Engineering Jalgaon

2016 - 05/2020 Maharashtra, India

CGPA  
8.23 / 10.0

## MY LIFE PHILOSOPHY

I believe in lifelong learning and continuously seek to improve my skills and knowledge. By staying curious and embracing new challenges, I aim to contribute to innovative solutions and drive positive change in my work and community.

Albert Einstein

## SKILLS

### Soft Skills

Teamwork

Communication

### Programming

Python

Javascript

Java

Spring

Bash

SpringBoot

Flask

### Tools and Technologies

Terraform

Docker

Cloud Computing

AWS

Linux

MongoDB

CI/CD

Windows

Git

MySQL

REST API

### Software and Development Tools

VSCode

NetBeans

Eclipse

## STRENGTHS

### Time management

Prioritizes essential tasks so they are not rushed. Sets deadlines that ensure reaching milestones on time.

### Multitasking and Strategic decision making

Proficient in multitasking and strategic decision making, with a track record of managing competing priorities and making critical decisions under pressure to achieve organizational objectives.

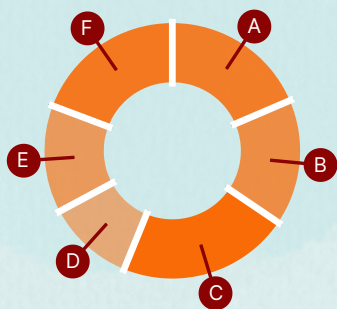

### Creative and Enthusiastic

Positive attitude and innovative minded with keen interest in Research and Development

## MY TIME

- A Upskilling
- B Solving Coding Challenges
- C Brainstorming on Trending Technologies and Tools
- D Sketching
- E Cooking
- F Dance
